True Wireless Stereo Earbuds

Wireless

HD Calls

Water
resistant

Range

Fast Charge

Long Standby
Time

Take the cutting-edge **Indy** True-Wireless Stereo earbuds for a ride and enjoy the perfect no-wire experience with uncompromising sound quality. Use the storage case they are supplied with to protect and recharge them on the move. A fully charged case allows for up to 4 (depending on the model) complete recharge cycles of the earbuds and the super low power standby mode provides them with long standby time. A special sensor will make sure the earbuds reconnect to your mobile device automatically as soon as you take them out of the case so they are ready to use as soon as you need them.
